Indien hält gute Verbindungen zu den USA für entscheidend: Militärparade in Delhi.

The SPYDER family ensures protection of high value assets as well as maneuvering combat forces. Both systems are quick reaction, all-weather, network-centric, multi-launcher and self-propelled. SPYDER-SR and SPYDER-MR are designed to engage and destroy a wide spectrum of threats, such as attack aircraft, bombers, cruise missiles, UAV, UCAV and stand-off weapons.
